

## Assembly and Instructions

*Congratulations on the purchase of your new Carva Oracle Fountain.*

**Upon receipt** inspect for any damage that may have occurred during shipping. If any damage to the fountain is noticed during unpacking, keep packing and notify our office immediately for an inspection. **Warranty is void** if package is discarded prior to notice of damage.

**WARNING:** As with any fountain there is a risk of water damage due to splashing or leakage. Do not place fountain where it could cause damage to furniture or other items. Splashing can occur on start up.

### Assembly:

- Carva fountain should be assembled where it is going to be used.
- Set Carva bowl on metal support stand.  
*Route pump cord through hole in side of fountain.*
- Attach hose to pump and barbed fitting of Amphora pot.
- Position amphora pot for optimum flow.
- The beach pebbles can be arranged in any manner desired or omitted.

### Start Up:

- Start by filling the fountain about 6 inches deep.
- Plug pump in and adjust flow with valve on pump if necessary.

### Maintenance:

- To keep fountain clean of algae and bacteria add 1 teaspoon of bleach every 4 to 5 days. To avoid damage to pump and components do not add more bleach than is recommended.
- If you notice air bubbles coming from the pump you probably need to add more water.
- To remove any hard water spots use a light vinegar solution or common household scale remover.

**Warranty** is limited to repair or replacement of product, at Ecosphere's option. Ecosphere is not liable for any consequential damages. Warranty period is six months on pumps, and one year on other parts. No warranty on breakage. Warranty void if pump is run without water. Defective pumps in warranty must be returned to Ecosphere by US mail and if found defective will be replaced free of charge. **All** fountain returns require a RA # and must be shipped prepaid. Any product returned without an RA # will not be accepted. Any questions can be directed to our customer service department at 1-800-729-9870.
